GENERAL INFORMATION

THE ANNUAL MEETING

Our Board of Directors is soliciting proxies to be used at our Annual Meeting of Stockholders to be held on June 8, 2006. This Proxy Statement and form of proxy are being made available to our stockholders on or about April 28, 2006.

PURPOSE OF MEETING

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying Notice of Annual Meeting and are described in more detail in this Proxy Statement.

INFORMATION CONCERNING VOTING AND SOLICITATION OF PROXIES

WHO CAN VOTE?

Only stockholders of record at the close of business on April 13, 2006 may vote at the Annual Meeting. As of April 13, 2006, there were 114,113,642 shares of our Common Stock outstanding.

HOW YOU CAN VOTE

You may vote using one of the following methods:

- **Internet.** You may vote by the Internet by going to the website for Internet voting on your proxy card. If you vote by the Internet, you should not return your proxy card.
- **Telephone.** You may vote by telephone by calling the toll-free telephone number on your proxy card. If you vote by telephone, you should not return your proxy card.
- **Mail.** You may vote by mail by marking your proxy card, dating and signing it, and returning it in the postage-paid envelope provided.
- **In Person.** You may vote your shares in person by attending the Annual Meeting.

If a broker holds your shares in "street name," you should have received voting instructions with these materials from your broker or other nominee. We urge you to instruct your broker or other nominee how to vote your shares by following those instructions. The broker is required to vote those shares in accordance with your instructions. If you do not give instructions to the broker, the broker may vote your shares with respect to the election of directors and the ratification of the appointment of the Company's independent public accounting firm.

All shares that have been voted properly by an unrevoked proxy will be voted at the Annual Meeting in accordance with your instructions. If you sign your proxy card, but do not give voting instructions, the shares represented by that proxy will be voted as our Board recommends.

[Table of Contents](#)

If any other matters are brought properly before the Annual Meeting, the persons named as proxies in the enclosed proxy card will have the discretion to vote on those matters for you. As of the date of this Proxy Statement, we did not know of any other matter to be raised at the Annual Meeting.

HOW TO REVOKE YOUR PROXY OR CHANGE YOUR VOTE

You can revoke your proxy or change your vote before your proxy is voted at the Annual Meeting by:

- submitting another timely proxy by the Internet, telephone or mail; or
- attending the Annual Meeting and voting in person. If your shares are held in the name of a bank, broker or other holder of record, to vote at the Annual Meeting you must obtain a proxy executed in your favor from the holder of record. Attendance at the Annual Meeting will not, by itself, revoke your prior proxy.

HOW MANY VOTES YOU HAVE

Each stockholder has one vote for each share of Common Stock that he or she owned on the Record Date for all matters being voted on.

QUORUM

A quorum is constituted by the presence, in person or by proxy, of holders of our Common Stock representing a majority of the number of shares of Common Stock entitled to vote. Abstentions and broker non-votes will be considered present to determine the presence of a quorum.

VOTES REQUIRED

Election of Directors. The eleven nominees for Director receiving the highest vote totals will be elected. Abstentions and broker non-votes will have no effect on the election of Directors. (See “Proposal One: Election of Directors” on page 3).

Ratification of Selection of Independent Accountants. To pass, this proposal will require the affirmative vote of the holders of a majority of the total number of shares of Common Stock present by person or represented by proxy and entitled to vote at the Annual Meeting. Abstentions will have the effect of a negative vote with respect to this proposal and broker non-votes will have the effect of votes not cast with respect to this proposal. (See “Proposal Two: Ratification of Selection of Independent Accountants” on page 18).

Up to 50% of the fee may be paid in cash and the balance is paid in our Common Stock equivalents. All payments in stock equivalents are credited to an account based on the fair market value of the stock on the last day of the preceding quarter. Payment of the stock equivalents, which may be in cash or shares of Common Stock, is deferred until the director ceases to be a director.
Annual Committee Chair Retainer:	\$5,000 for the chair of each of our Compensation and Governance Committees. \$10,000 for the chair of our Audit Committee.

BOARD INDEPENDENCE

Our Board Governance Guidelines are available at www.investor.gartner.com. Under these guidelines, the Governance Committee and the full Board annually assess the independence of the non-management directors of the Board by reviewing the financial and other relationships between each director and the Company. This review is designed to determine whether these directors are independent, as defined under the standards of the New York Stock Exchange. The Governance Committee and the Board have determined that all of our non-management directors (i.e., Messrs. Bingle, Bressler, Grabe, Joyce, Hopper, Pagliuca, Smith, Ubben and Webb and Ms. Fuchs) are independent under those standards.

Stockholders and other interested parties may communicate with any of our directors, including our non-management directors, by writing to them c/o Corporate Secretary, Gartner, Inc., 56 Top Gallant Road, P.O. 10212, Stamford, CT 06904-2212.

DIRECTOR STOCK OWNERSHIP GUIDELINES

The Board believes directors should have a financial interest in the Company. Accordingly, each director is required to own at least 10,000 shares of our Common Stock. New directors also have three years from election or appointment to comply with the policy as follows: 25% within one year of election or appointment; 50% within two years of election or appointment; and 100% within three years of election or appointment.

Our Board of Directors has approved a written charter for each committee which is available at www.investor.gartner.com.

The committee also reviews the procedures of our independent auditors for ensuring their independence with respect to the services performed for us. The committee also reports to stockholders as required by the Securities and Exchange Commission (see "Audit Committee Report" on page 16).

Our Compensation Committee consists of Messrs. Bingle, Ubben and Webb (Chairperson). During 2005, the Compensation Committee held 7 meetings and acted 2 times by written consent. The Compensation Committee has responsibility for administering and approving all elements of compensation for the Chief Executive Officer and certain other senior management positions. The committee reports to stockholders on executive compensation items as required by the Securities and Exchange Commission (see "Compensation Committee Report on Executive Compensation" on page 9).

Our Governance Committee consists of Ms. Fuchs and Messrs. Grabe (Chairperson) and Joyce and held 4 meetings during 2005. Our Governance Committee reviews issues regarding our governance, reviews and implements policies for our Board, reviews the size of our Board and criteria for membership, nominates potential members for election to the Board, recommends the assignment of directors to our Board's committees and reviews the performance of our Chief Executive Officer and our Board members. Candidates may come to the attention of the Governance Committee through current Board of Directors members, stockholders or other persons. COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The following report by our Compensation Committee shall not be deemed to be (i) "soliciting material," (ii) "filed" with the Securities and Exchange Commission, (iii) subject to Regulations 14A or 14C of the Securities Exchange Act of 1934, as amended (the "Exchange Act") or (iv) subject to the liabilities of Section 18 of the Exchange Act. The report shall not be deemed incorporated by reference into any of our other filings under the

Exchange Act or the Securities Act of 1933, as amended, except to the extent we specifically incorporate it by reference into such filing.

Our role is to set overall compensation principles and review Gartner's entire compensation program annually. We also review and establish the individual compensation levels for our executive officers. We consider the advice of independent, outside consultants, who report directly to us, in determining whether the amounts and types of compensation we pay our executive officers are appropriate. We also administer our employee stock purchase plan and long-term equity incentive plans.

The goal of our compensation program is to attract, motivate and retain highly talented individuals. Our guiding philosophy is that compensation should be linked to performance. We believe that the better an individual performs, the higher the individual's compensation should be. Our compensation program is designed to balance short and long term financial objectives, build stockholder value and reward individual, group and corporate performance. We believe that individual compensation should be tied to our financial performance so that when our performance is better than established objectives, individuals should be paid more and when our financial performance does not meet our established objectives, incentive award payments should be reduced. The proportion of an individual's total compensation that varies with individual and corporate performance objectives should increase as the individual's business responsibilities increase. In addition, we believe that the total compensation package must be competitive with other companies in our industry to ensure that we continue to attract, motivate and retain the people who are critical to our long-term success.

Compensation for our executive officers consists of three principal components: base salary, short-term incentives and long-term incentives.

Base Salary. We set base salaries by evaluating the responsibilities of the position and the experience of the individual. We reference the competitive marketplace for executive talent and conduct surveys periodically for comparable positions at companies of similar business model and size with whom we compare for compensation purposes. A larger group of companies is used for compensation purposes than is used for the "Comparison of Total Cumulative Stockholder Return" graph on page 19 because we compete for talent across a broader spectrum of companies than those in our direct field.

Short-Term Incentives (Cash Bonuses). We designed the annual bonus component of incentive compensation to align pay with our short-term (annual) performance. Individual target bonuses are set based on the competitive marketplace for each position. Executives have bonus targets ranging from 40% of salary to 100% of salary for the CEO. For 2005, the percentage of target bonus was based on a sliding scale weighting of corporate versus individual performance goals based on the employee's position in Gartner, with the bonus for more senior employees being more heavily weighted towards corporate performance. For executive officers, bonus payments are based solely on achievement of company-wide financial performance objectives. The financial objectives and weightings used for 2005 were EBITDA (50%), Contract Value (30%) and Sales Bookings (20%). We substantially achieved the targets, and earned bonuses were approximately 107% of target.

Long-Term Incentives (Stock Plans). The principal equity components of executive compensation are options and restricted stock granted under our long-term equity incentive plans. Awards are often granted at the commencement of employment, with additional annual grants for promotions or performance. We believe that ownership of our stock is a key element of our compensation program and that stock options and restricted stock provide a retention incentive for our executive officers and align their personal objectives with long-term stock price appreciation. For 2005, stock options were the primary incentive granted to all long-term participants. During the year, we evaluated different types of long-term incentives based on their motivational value cost and share utilization and determined to grant stock appreciation rights and restricted stock units to senior executives for 2006, and utilize restricted stock units for other employees that will be earned for continued employment.

CEO Compensation. In 2005, Mr. Hall's annual base salary remained the same at \$650,000 in 2005 as well as his target bonus of \$650,000. He earned a bonus of \$697,450 based on Company performance. He received a stock option award of 260,000 shares based on a competitive review and affordability.

Other Compensation. Other elements of executive compensation available for our domestic executive officers include life insurance and long-term disability insurance programs and participation in our U.S. profit

sharing plan under which a specified percentage of operating profit is distributed pro-rata among all employees based on salary. Executive officers are eligible for company-wide medical benefits, a supplemental life insurance program, a supplemental long term disability program, a 401(k) plan under which we provide matching contributions to all participants, with additional contributions allowed in excess of the ERISA limits and a payroll deduction employee stock purchase plan under which participants may purchase our Common Stock at a discounted price. In 2005, this discounted price was 95% of the lower of the fair market value of our Common Stock at the beginning or end of each six-month offering period (up to a maximum stock value of the lesser of \$25,000 per calendar year or 10 percent of salary). Executives also receive a perquisite allowance in lieu of other benefits. Other compensation for executives based in the United Kingdom includes many of the elements enumerated above, participation in a U.K pension plan with a Company contribution of specified percentage of the executive's base salary (subject to adjustment in certain cases), or, at their option, participation in a personal pension arrangement of their choice, as well as, in some cases, executive medical benefits, use of a company car or car allowance and fuel allowance.

During the year, we also adopted an enhanced severance policy for executives that is described on page 15 under "Executive Agreements with Executive Officers."

The Compensation Committee has considered the potential impact of Section 162(m) of the Internal Revenue Code adopted under the Federal Revenue Reconciliation Act of 1993. This section precludes a public corporation from taking a tax deduction for individual compensation in excess of \$1 million for its chief executive officer or any of its four other highest-paid officers. This section also provides for certain exemptions to this limitation, specifically compensation that is performance based within the meaning of Section 162(m). The Compensation Committee has approved awards to executives that are performance based and deductible under Section 162(m). However, the Compensation Committee may from time to time approve compensation that is not deductible under this Section. The CEO's initial award of 500,000 restricted shares was cancelled and replaced in 2005 to ensure deductibility for corporate income tax purposes.

- (1) The amounts shown exclude certain perquisites and other personal benefits. These amounts, in the aggregate, did not equal or exceed the lesser of \$50,000 or ten percent (10%) of the total annual salary and bonus for each executive officer.
- (2) The amounts shown include bonuses earned in the year noted although such amounts are payable in the subsequent year. The amounts shown exclude bonuses paid in the year noted but earned in prior years.

This cancellation and re-issuance was undertaken for tax reasons. By issuing the restricted stock award under our 2003 Plan, we will be able to take a tax deduction when and if the restrictions lapse on the restricted stock award. We would not have been able to take advantage of this tax deduction on the award in its original form because the award had been made as an inducement grant, and, consequently, was not issued pursuant to a stockholder-approved plan. None of the 2004 award vested prior to cancellation.
- (4) For 2005, the amounts shown represent: (i) life insurance premiums: Mr. Hall — \$11,850; (ii) long term disability insurance premiums: Mr. Hall — \$5,466; (iii) medical insurance premiums: Mr. Lafond — \$1,275; Messrs. McCarty, Patton and Schwartz — \$1,925; (iv) financial planning reimbursement: Mr. Lafond — \$827 and Mr. Patton — \$954; (v) matching and profit sharing contributions under our defined contribution plan: \$7,700 for each officer; (vi) housing and relocation expenses: Mr. Hall — \$51,924; and Mr. McCarty — \$37,310; (vii) personal use of company auto: Mr. Hall — \$18,600; (viii) lump sum in lieu of specific benefits payments: Mr. Lafond — \$21,882; Mr. McCarty — \$22,206; Mr. Patton — \$22,206; and Mr. Schwartz — \$21,882; and (ix) Company travel award: Messrs. Hall and Lafond — \$3,047; and Messrs. \$3,093. - (7) Represents compensation received from April 2004, the start date of Mr. Patton’s employment. Mr. Patton’s 2004 bonus includes a \$200,000 sign on bonus and a \$225,000 retention bonus.

OPTIONS GRANTED IN 2005 TO THE NAMED EXECUTIVE OFFICERS

The following table provides information regarding stock options to purchase our Common Stock granted to the Named Executive Officers during 2005:

Name	Number of Securities Underlying Options	Individual Grant(1)		Exercise Price Per Share	Expiration Date	Grant Date Value	
		% of Total Options Granted to Employees in Fiscal Year				Grant Date	Present Value(2)
Eugene A. Hall	260,000	6.74%		\$ 10.59	6/15/12	\$	714,844
Christopher Lafond	117,000	3.04		10.59	6/15/12		321,680
Michael McCarty	104,000	2.70		10.59	6/15/12		285,938
Robert C. Patton	104,000	2.70		10.59	6/15/12		285,938
Lewis G. Schwartz	104,000	2.70		10.59	6/15/12		285,938

- (1) These options were granted under our 2003 Long Term Incentive Plan and are subject to its terms. These options vest in three equal annual installments on the anniversary of the date of grant.
- (2) Estimated present values are based on the Black-Scholes option pricing model. The Black-Scholes Model considers a number of factors, including the expected volatility and dividend rate of the stock, interest rates and time of exercise of the option. The following assumptions were used in applying the Black-Scholes Model to the 2005 option grants shown in the table above: (i) volatility of 31%; (ii) risk-free rate of return of 3.69%; (iii) constant dividend rate of zero percent; and (iv) an exercise date 3 years after the date of grant. The ultimate value of the options will depend on the future market price of our Common Stock, which cannot be forecast with reasonable accuracy, and on when the options are exercised.

OPTIONS EXERCISED IN 2005 BY THE NAMED EXECUTIVE OFFICERS AND 2005 YEAR-END OPTION VALUES

The following table provides information regarding options exercised by each Named Executive Officer during 2005, the number of unexercised options at fiscal year-end and the value of unexercised “in-the-money” options at fiscal year-end:

Name	Number of Shares Acquired on Exercise	Value Realized	Number of Securities Underlying Unexercised Options at Year-End		Value of Unexercised In-the-Money Options at Year-End ⁽¹⁾	
			Exercisable	Unexercisable	Exercisable	Unexercisable
Eugene A. Hall	—	—	200,000	860,000	\$ 158,000	\$ 1,074,600

Lewis G. Schwartz	—	—	110,001	163,999	405,928	299,839

(1) The values for “in-the-money” options represent the difference between the exercise price of the options and the closing price of our Common Stock on December 31, 2005, which was \$12.90 per share.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Our Compensation Committee currently consists of Messrs. Bingle, Ubben and Webb. No member of our Compensation Committee is a current or former officer or employee of Gartner or any of our subsidiaries. None of our executive officers has served on the board of directors or on the compensation committee of any other entity that had an executive officer serving on our Board or our Compensation Committee.

EMPLOYMENT AGREEMENTS WITH EXECUTIVE OFFICERS

Mr. Hall. Mr. Hall entered into an Employment Agreement effective August 4, 2004 (the “Hall Agreement”). Under the agreement, Mr. Hall serves as our Chief Executive Officer through July 31, 2007, and thereafter for subsequent one-year periods unless either party provides ninety days written notice not to renew. During the term of the agreement, we agree to include Mr. Hall on our slate of nominees to be elected to our Board.

Mr. Hall’s initial base salary is \$650,000, subject to annual adjustments by our Board or Compensation Committee. Mr. Hall’s annual target bonus is equal to 100% of his base salary and is based on the achievement of specified company and individual objectives. Mr. Hall’s bonus may be higher or lower than the target bonus amount based on over- or under-achievement of the objectives, but in no event shall the bonus exceed 200% of his base salary. Mr. Hall’s bonus for the first twelve months of his employment is guaranteed at 100% of his target bonus. Additionally, we agreed to provide Mr. Hall with an automobile and a driver during his employment term.

Pursuant to the agreement, Mr. Hall received a grant on August 16, 2004 of options to purchase 800,000 of our Common Stock at a price of \$12.11 per share. These stock options vest in four equal annual installments on the anniversary of the date of grant. Mr. Hall also received a grant of 500,000 shares of restricted stock on October 15, 2004. The restrictions on these shares will lapse upon the earlier of (a) our 60-day average stock price meeting certain targets, or (b) a change in control. The price targets are \$20 for the first 300,000 shares, \$25 for the next 100,000 shares and \$30 for the remaining 100,000 shares. In November 2005, Mr. Hall’s 2004 500,000 share restricted stock award was cancelled and replaced with a new award for the same amount of shares and on similar terms under our stockholder-approved 2003 Long Term Incentive Plan. This action will allow us to take a tax deduction when and if the restrictions lapse on the restricted stock award, which would not been permissible in the award’s original form because the award had been made as an inducement grant, and, consequently, was not issued pursuant to a stockholder-approved plan.

Mr. Hall’s employment is at will and may be terminated by him or us upon sixty days’ notice. If we terminate Mr. Hall’s employment involuntarily without Business Reasons (as defined in the agreement) or a Constructive Termination (as defined in the agreement) occurs, or if we do not renew the agreement upon its expiration and Mr. Hall terminates his employment within ninety days following the expiration of the agreement, Mr. Hall will be

entitled to receive: (a) his base salary for twenty-four months, payable in accordance with our regular payroll schedule; (b) 200% of his target bonus for the year in which the termination occurs, and any earned but unpaid bonus from the prior year; and (c) continued vesting for twenty-four months other than any award that vests pursuant to performance-based criteria.

If a Change in Control (as defined in the agreement) occurs, Mr. Hall will be entitled to receive: (a) three times his base salary then in effect; (b) three times his minimum target bonus for the fiscal year in which the Change in Control occurs (plus any unpaid bonus from the prior fiscal year); (c) acceleration in full of his option grant and the lapsing of all restrictions on his restricted stock grant; (d) at our cost, group health benefits pursuant to our standard programs for himself, his spouse and any children for three years after the Change in Control; and (e) any Gross-Up Payments (as defined in the agreement) for Mr. Hall's excise tax liabilities.

Executive Officers. Other than our CEO, we do not have long-term employment agreements with any of our Named Executive Officers. Each of our executive officers is covered by Gartner's Executive Benefits Program which provides that upon termination without cause, each of our executive officers will be entitled to receive: (a) 12 months base salary then in effect; (b) at our cost, group health benefits pursuant to our standard programs for the executive, the executive's spouse and any children for one year after the termination date; and (c) 90 days following the termination to exercise all options vested as of the termination date. In the event that there is a change of control and the executive is terminated without cause within 12 months after the change in control, all of the executive's outstanding equity awards issued subsequent to the adoption of the program will immediately vest and the executive will have 12 months to exercise his or her awards. Additionally, the program provides for an annual physical examination and an annual lump sum payment of \$15,000 per year in lieu of any other perquisites to be provided by Gartner. The lump sum payment and other benefits are grossed up so as to be tax neutral to the executive.

AUDIT COMMITTEE REPORT

Our Board has appointed an Audit Committee consisting of four “independent” directors, as defined under current New York Stock Exchange listing standards and the Sarbanes-Oxley Act of 2002 (the “Act”).

We operate under a written charter adopted by our Board. We review the charter at least annually and we last modified the charter in January 2004. We hold regularly scheduled meetings at least five times each fiscal year and we meet more frequently as appropriate. We have the power and funding to retain independent counsel and other advisors as we deem necessary to carry out our duties as required by Section 301 of the Act.

We are directly responsible for the appointment, compensation and oversight of the independent auditors — including establishing the independence of the auditors, approving the engagement letter describing the scope of the audit, and resolving disagreements between management and the auditors regarding financial reporting — for the purpose of issuing an audit report in connection with our financial statements. The auditors report directly to us. By meeting regularly with independent auditors and internal auditors, and operating and financial management personnel, we oversee matters relating to accounting standards, policies and practices, changes to these standards, policies and practices and the effects of any changes on our financial statements, financial reporting practices and the quality and adequacy of internal controls. Additionally our internal audit function reports directly to the Audit Committee.

KPMG LLP, an independent registered public accounting firm, has audited our financial statements since September 1996. Subject to stockholder ratification, the Audit Committee has selected KPMG as our independent registered public accountants for the 2006 fiscal year. The Committee discussed its selection with the Board of Directors and the Board unanimously ratified the selection of KPMG.

The Audit Committee’s policy is to pre-approve all audit and permissible non-audit services provided by KPMG. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. KPMG and management are required to report periodically to the Audit Committee regarding the extent of services provided by KPMG in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis.

We reviewed and discussed our audited financial statements for 2005 with management and KPMG. We also discussed with KPMG the matters required by Statement on Auditing Standards No. 61 (Communications with Audit Committees), as amended. This included a discussion of our auditors’ judgments as to the quality, not just the acceptability, of our accounting principles, and other matters that generally accepted auditing standards require to be discussed with an audit committee. We also received the written disclosures and the letter from KPMG required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees) and discussed with KPMG their independence. We have determined that the provision of all non-audit services by KPMG is compatible with the auditors’ independence.

Based on our review and discussions noted above, we recommended to our Board, and our Board approved, that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2005. A representative of KPMG will be at the Annual Meeting to answer appropriate questions.

**PROPOSAL TWO:
RATIFICATION OF SELECTION OF INDEPENDENT ACCOUNTANTS**

The Audit Committee of the Board of Directors has selected, subject to ratification by the Company's stockholders, KPMG LLP to serve as the Company's independent registered public accounting firm for the 2006 fiscal year. Additional information concerning the Audit Committee and its activities with KPMG can be found in the "Audit Committee Report" found on page 16 and the "Principal Accountant Fees and Services" on page 17.

The Sarbanes-Oxley Act of 2002 and Section 10A of the Securities Exchange Act of 1934 require that the Audit Committee of the Board of Directors be directly responsible for the appointment, compensation and oversight of the audit work of the Company's independent registered public accounting firm. Ratification by the stockholders of the selection of KPMG is not required by law, the Company's bylaws or otherwise. However, the Board of Directors is submitting the selection of KPMG for stockholder ratification to ascertain stockholders' views on the matter.

A representative of KPMG LLP will attend the Annual Meeting to respond to appropriate questions and to make a statement if he or she desires to do so.

The Board of Directors recommends that you vote FOR the Proposal to ratify the selection of KPMG LLP as the Company's independent registered public accounting firm for fiscal 2006.

COMPARISON OF TOTAL CUMULATIVE STOCKHOLDER RETURN

The following graph compares our Common Stock performance to the performance of Standard & Poor's Stock 400 Index and a Peer Group Index.

Our Peer Group Index consists of The Corporate Executive Board Company and Forrester Research, Inc. These companies represent the most significant publicly traded companies that we believe compete with us in our most important line of business: independent research and analysis on information technology, computer hardware, software, communications and related technology industries. There are no publicly traded information technology research companies that also compete with us in our consulting and events businesses.

The comparison assumes \$100.00 was invested on September 30, 2000 in our Common Stock and in each of the indices, and assumes the reinvestment of dividends, if any.

The comparisons in the graph below are provided in response to SEC disclosure requirements and are not intended to forecast or be indicative of future performance of our Common Stock.

OTHER INFORMATION

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Based on our review of information on file with the Securities and Exchange Commission and our stock records, the following table provides certain information about beneficial ownership of our Common Stock as of April 13, 2006 by: (i) each person (or group of affiliated persons) which is known by us to own beneficially more than five percent of our Common Stock, (ii) each of our directors, (iii) each Named Executive Officer, and (iv) all directors, Named Executive Officers and other current executive officers as a group. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our executive officers, directors and persons who beneficially own more than 10% of our Common Stock to file reports of ownership and changes of ownership with the Securities and Exchange Commission and to furnish us with copies of the reports they file. Based solely on our review of the reports received by us, or written representations from certain reporting persons, we believe that all reports were timely filed.

CERTAIN RELATIONSHIPS AND TRANSACTIONS

RELATIONSHIP WITH SILVER LAKE PARTNERS, L.P.

On April 17, 2000, we issued and sold an aggregate of \$300 million principal amount of our unsecured 6% Convertible Junior Subordinated Promissory Notes due April 17, 2005 to Silver Lake Partners, L.P. ("Silver Lake") and certain of Silver Lake's affiliates and to Integral Capital Partners IV, L.P. and one of its affiliates. In October 2003, these notes were converted into 49,441,122 shares of our Class A Common Stock which, following our 2005 reclassification, represented a like number of shares of our Common Stock. The determination of the number of shares issued upon the conversion was based upon a \$7.45 conversion price and a convertible note of \$368.3 million, consisting of the original face amount of \$300 million plus accrued interest of \$68.3 million. Silver Lake and its affiliates currently own 37,740,128 shares of our Common Stock. See "Security Ownership of Certain Beneficial Owners and Management" on page 20. In connection with the issuance of the notes, we agreed, among other things, that Silver Lake would recommend two nominees for director and we would include two Silver Lake nominees on our slate of nominees to be elected to our Board. This obligation exists while Silver Lake owns Common Stock representing at least 20 percent of the amount of Common Stock into which the notes were converted.

Michael J. Bingle and John R. Joyce, managing directors of the general partner of Silver Lake and members of some of the affiliates of Silver Lake, are Silver Lake's nominees to our board.

Silver Lake purchased \$113,700 in research and consulting services from us during 2005 and has contracted to purchase subscription research services from us in 2006 in the amount of \$19,000.

RELATIONSHIPS WITH OTHER THIRD PARTIES

Several of our other directors are employed by companies that purchase our research and consulting services in the ordinary course of their business. The following chart shows the amount of research and consulting services purchased by each company during 2005 and the amount for which each company has signed commitments to date for 2006.
